SpeechTrans Client End Users Testimonials

“With SpeechTrans we have helped many patients get the care they deserve, from Arabic to Vietnamese and Spanish. We even had an African native that we communicated with using SpeechTrans.”

Joe D’Alonzo
Jackson Memorial Hospital
Miami, FL

“The problem was, she only spoke French, and D’Alonzo only spoke Spanish. He used the app to explain that she would be prepped for an emergency C-Section because her baby’s heart rate was crashing.”
